*Your Place In The Sun*

Many letter carriers dream of retiring to a nice, sunny location, and Nalcrest is their dream come true. Even in the coldest January, daytime temperatures still hover in the comfortable mid-70s.

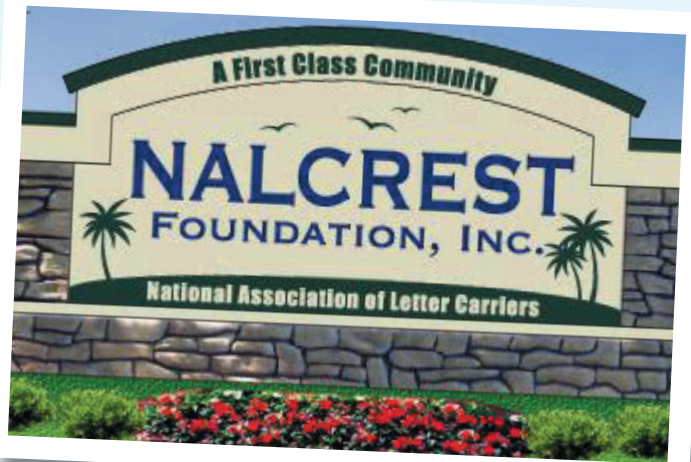

Located in sunny Central Florida, Nalcrest is conveniently situated midway between the Gulf Coast and the Atlantic Coast, about an hour's drive from Tampa and an hour south of Orlando. You'll have access to the best of Florida, but away from the crowds.

Nalcrest lies on 15 square-mile Lake Weohyakapka (Lake Walk-In-The-Water) and is a haven for boating and fishing enthusiasts.

The low rents make this good community the perfect spot for residency away from the relentless cold winters in the North. Two-bedroom apartment leases begin at \$570 a month, one-bedroom apartments begin at \$483 a month and efficiencies begin at \$444 a month. *(Apartment prices are subject to change. Please check with the Nalcrest Office),*

NALCREST was NALC President William Doherty's vision to give letter carriers a place to rest their weary feet after a lifetime of carrying America's mail, and the dream came true in 1963.

There have been a lot of changes since Nalcrest first opened its doors, but it still remains the perfect retirement spot for America's letter carriers.

Nalcrest's 500 apartments are conveniently clustered in 66 single-story buildings spread evenly over 153 acres around two large lagoons. Another undeveloped 150 acres surround the complex.

Lake Weohyakapka (Lake Walk-In-The-Water), edged with oak trees dripping with Spanish moss, forms a scenic backdrop for Nalcrest's recreation area and sports complex.

Nalcrest residents can enjoy the complex's spa and heated swimming pool year-round, not to mention shuffleboard, horseshoes, basketball, bocce ball, miniature golf, tennis and pickleball. The softball field and driving range are located a short walk from the lake.

Nalcrest also is known for its richness in its wildlife. A simple stroll around the lagoons might reveal sandhill cranes and their tiny chicks, majestic eagles - and even wild turkeys right outside your front door.

A bustling town center is home to Nalcrest's management office plus a cluster of conveniences, such as a laundromat, museum, chapel, beauty shop, massage therapy, library, game/billiards room, workout center, café and our very own post office.

If for some reason you can't find what you need in Nalcrest, the town of Lake Wales is a short drive away with many of your shopping needs.

Nalcrest's residents also enjoy a wide range of community activities, from golf to pinochle, from weekly exercise classes to bingo.

The community's fitness center is free and contains exercise equipment to suit every fitness level. There are clubs of all kinds that bring like-minded residents together for project planning, instruction, community service or simple socializing.

Nalcrest is open to retired letter carrier members in good standing - just one more reason to maintain your membership after retirement!

Residents must be retired adults and healthy enough to take care of normal household chores. NALCREST IS NOT AN ASSISTED LIVING FACILITY.

No dog, cat, or other domestic animal, except for emotional support/service animals as permitted by applicable law, may be kept in the Premises or on the Property.

Effective February 1, 2022, NALCREST has taken steps to maintain a smoke and tobacco free environment within our apartments and adjoining porches. Smoking or use of tobacco or similar products (including but not limited to cigarettes, e-cigarettes, vaping devices, pipes, cigars, snuff, chewing tobacco) on NALCREST property IS ONLY PERMITTED within the designated smoking area located in Town Center.

Interested NALC members can come take a look at Nalcrest and even stay in one of the furnished guest apartments (subject to availability) for rent. Nalcrest has many guest apartments that start at \$65.00 plus tax with a decreasing amount the longer you stay. Please call 863-696-1121 with any questions.
